About Today's Game - News & Notes

The Bulldogs play The Raiders

Moving on UP! or ?

Garfield welcomes Nathan Hale to Garfield Park today, in a contest that will almost even the teams up in the Metro standings if our Bulldogs continue with their outstanding play from Wednesdays game (vs. Ingraham Rams), we saw a complete game shutout (W 6-0).

Recapping Wednesdays game: Pitching > Enthusiasm and competitive spirit were on full display as Eli Herst (So) went 7inn, with 15K's, OBB, 0Runs and only 2 hits, allowing only 3 batters to reach base in total, that is ACE stuff. We also need to give a "nod" to Liam Mahoney (Jr) his battery mate, calling pitches, as he had complete control of the opposing batters even the umpire for the entire game, it must be the towel?

Defensively > we had an error free game, and it was great to see Prince Davis (Jr) @ SS making some outstanding plays to get the speedy runners out, for example one where he actually passed 2nd base while throwing to first all while moving to his left with velocity, great arm with accuracy!

Offensively >Lockie McIver (Jr) got the start @ 3rd and was re-inserted into the lineup, with that change, Lockie pounded Ingrahams pitching with 2 ringing line drives to left center knocking in 2 runs to breakout of the scoreless drought. His teammates DJ Parker (Sr) and Dashiell Story (So) went wild on the bases stealing a total of 5 bases! With a clear victory against the Rams, maybe the Bulldogs have that fight and this may propel them Up and UP!

Raiders come in, almost covert, no chance for discovery as they do not post any stats on Maxpreps, similar to their namesake. But knowing the Hale Raiders from their most recent past, they are competitive and are out to win.

Coach Moe has hard throwing lefty Dashiell on the bump, he has been adjusting to his starting role and I expect to see improvement as we move through our season, as he is fierce, acrobatic and athletic making good qualities for a pitcher + he is a quality batter and steals bases, causing chaos for his opposing pitcher, hope to see that today!

Enjoy cheering for your Team!

~ Get to know the Players ~

#13 Prince Davis

OF, SS, RHP

Jr

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* My favorite player is Ronald Acuna Jr because of how much energy he plays with and he's always making plays and hitting good.
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* I wouldn't change nothing about the rules I think there pretty good.
- 3) *Give us a sports book recommendation, what you enjoyed about it, and why you think others should read it.* I'm not sure about my favorite sport book but one of my favorite sports movie is Hardball because of the black baseball players and that movie inspired me when I was younger.
- 4) *Tell us about a coach, mentor or teacher that has been influential in your life.* A coach that has a big influence to me is one of my old coach's, coach Payton because I could tell he had that dawg in him and he really pushed me to the best baseball player I can be.
- 5) *What is your favorite subject or class in school and why?* My favorite subject in school is math or photography because I like taking pictures and just being able to edit any picture to look good.
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* My favorite food place to order from is Wingstop I usually get a 8 piece combo with hot honey rub and mango habanero.

#22 Dashiell Story

So

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* My favorite baseball player of all time is dae-ho Lee. He is my favorite because I loved watching him on the Mariners and he always seemed happy.
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* A rule change I would like to see is the removal of dropped third strikes. As a pitcher it is the most annoying thing ever when I strike someone out but my catcher drops the ball and someone gets on base when they dont deserve it. it would help pitchers and just make the sport more understandable.
- 3) *Give us a sports book recommendation, what you enjoyed about it, and why you think others should read it.* A sports book I recommend is the inner game of tennis because it does a good job of diving into the psychology of tennis and just sports in general. It has taught me about sports psychology and has helped my mental state considerably while playing baseball.
- 5) *What is your favorite subject or class in school and why?* My favorite subject is science because I like things that have specific answers that I can use to explain random things in life. I like the mystery in science and that no matter how much knowledge I have, there is always more to learn and be curious about..
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* My favorite Seattle area restaurant is nishino. I order lots of sushi but my favorite is their hamachi jalapeno.
